

Advanced Ingenuity Labs is pleased to announce a scholarship opportunity for our Summer break training camp - *Robotics: Fundamentals and Microcontrollers*.

Three scholarships will be awarded

Winners	Awards
1 st	\$250
2 nd	\$150
3 rd	\$100

All high school students (ages 14-18), attending a public, private, or home school, in the states of Kentucky or Indiana, are eligible for consideration; however, consideration **is contingent** upon the timely submission of this completed application and essay to Advanced Ingenuity Labs. **The application deadline is Friday, May 27, 2022**, and all applications must be submitted by e-mail to:

2022S1RFMSF@advancedingenuitylabs.com

Scholarships will be awarded on Friday, June 3, 2022 to the top three essay answers. The essay answers are your opportunity to tell Advanced Ingenuity Labs who you are, and how technology will play a part in your future endeavors.

You can write up to 250 words for each essay question. Your essays will be evaluated on clarity, cohesion, and how thoroughly you answer each question.

NOTE: If you are applying for a scholarship, please DO NOT complete the camp registration form, on line, until we have contacted you. Please read all requirements, the application, and essay questions carefully, as incomplete, or otherwise incorrect, applications will not be accepted.

Applicant's Name: [Redacted] [Redacted]
First Name Last Name

Address: [Redacted] [Redacted] [Redacted] [Redacted]
Street City State Zip

County: [Redacted]

Phone Number: ([Redacted]) [Redacted] - [Redacted]

Parent Permission

I acknowledge and understand that my high school student is applying for an Advanced Ingenuity Labs' training camp scholarship. I have read the requirements of this scholarship, and if chosen, I will allow my high school student to participate in Advanced Ingenuity Labs' *Robotics: Fundamentals and Microcontrollers* Summer break training camp.

Scholarship Application Checklist

- I have read, understand, and agree to Advanced Ingenuity Labs' scholarship requirements, as described above.
- I have provided a valid phone number, at which I may be contacted during regular business hours.
- I have **completely** filled out the application form, and understand that it must be submitted no later than the stated deadline by e-mail.
- I have included answers to **both** essay questions.

How will completing Advanced Ingenuity Labs' *Robotics: Fundamentals and Microcontrollers* training camp help you achieve your career goals? (Maximum of 250 words)

[A large black rectangular area, likely a redaction or a placeholder for an answer.]

Why should you be selected for this scholarship? Please describe any academic achievements, examples of leadership, technical interests, or other personal characteristics that make you deserving of this scholarship? (Maximum of 250 words)
